

WORTHY OF DAWN

NASHVILLE, TN

Worthy of Dawn is a Nashville-based reggae rock band blending soulful reggae grooves, alternative rock energy, surf rock riffs, jam-band improv, and honest songwriting into a sound that feels both uplifting and unmistakably their own. Formed by husband-and-wife duo Thomas and Myka DesChamps, the band grew out of years spent performing in Nashville's live music scene before evolving into a project of their own.

Joined by drummer Jared Micéal, bassist Josh Bean, and guitarist Bruce Colin, the band has developed a sound that balances tight songwriting with the spontaneity and energy of jam-band culture.

Their music is driven by a spirit of curiosity, connection, and the belief that some of life's most meaningful moments happen when people come together through music. What began as Broadway cover gigs gradually evolved into something more personal—a band built on friendship, faith, shared experiences, and a desire to create music that leaves people feeling a little more hopeful than when they arrived.

At its core, Worthy of Dawn is a band about connection—to people, to truth, to God, and to the moments in life that remind us we are part of something bigger than ourselves.
